

**For any man parenting a child...**

## **“The Nurturing Fathers Program”**

**The Nurturing Fathers Program is a parenting class for fathers.  
The class is tailored to meet their needs and learning styles.**

**The class focuses on the value of fathers and explains:**

- **Effective disciplining**
- **Balancing work with fathering**
- **Playing with children**
- **Communicating successfully**

**The class is a 13-week program  
Classes are held in the evenings for 1 ½ hours  
Food and child-care are provided**

### **Testimonials from fathers:**

**“It was a safe atmosphere to voice my experiences and difficulties as a father.”**

**“The program taught me how to be a father again.”**

**“It’s a great program and I think a lot more men could benefit from the program.”**

**“It was a learning experience. I will refer other fathers who may be struggling.”**
