

Helping parents be successful...

Parent Education Program

The Parent Education Program utilizes the Active Parenting curriculums.

The program is designed to teach skills through videos and discussions facilitated by a professional social worker.

Through this program, you will learn skills to help develop:

- **Cooperation**
- **Responsibility**
- **Communication**
- **Positive Discipline**

**The Parent Education Program is
1 hour per week for 4 weeks.**

Testimonials from parents:

“I now know ways to have a happy family with fewer fights, less yelling, and more time to do fun things.”

“This class has helped me really listen and connect with my kids again.”

“I learned how to parent in a non-abusive and productive way.”

**For more information or to enroll,
please contact Pat Carroll at:
458-7445 or at pcarroll@scancenter.org**

The class fee is based on a sliding scale.
